

A test Document

Erarnitox - David Partsch

DropSoft

ABSTRACT

This Document is an example Document on how to use drop-markdown. Which is a wrapper around groff for easy writing of papers to be published on **dropsoft.org**

1. Heading

This was an example heading.

a new line. The same line

1.1. A sub heading

1.1.1. And so on

You get the point.

1.1.1.1. down deeeep

Goes down to 6 sub levels

This is a small quoted paragraph. I really hope this will work!

1.2. Testing bold text

This is a small *test* for **bold** text.

1.3. Testing italic text

This is a small test for *italic* text.
