DropSoft

ABSTRACT

This Document is an example Document on how to use drop-markdown. Which is a wrapper around groff for easy writing for papers to be published on dropsoft.org

11 February 2022

1. Heading

This was an example heading.

a new line. The same line

1.1. A sub heading

1.1.1. And so on

You get the point.

1.1.1.1. down deeeep

Goes down to 6 sub levels

This is a small quoted paragraph. I really hope this will work!
